

Northwest Prep Charter School

2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Contact Information

School Name	Northwest Prep Charter School
Street	2590 Piner Rd
City, State, Zip	Santa Rosa
Phone Number	7075223320
Principal	Adam Napoleon
Email Address	anapoleon@pousd.org
School Website	northwestprep.org
County-District-School (CDS) Code	49-70870-0106344

2021-22 District Contact Information

District Name	Piner-Olivet Union School District
Phone Number	(707) 522-3000
Superintendent	Steve Charbonneau
Email Address	scharbonneau@pousd.org
District Website Address	www.pousd.org

2021-22 School Overview

School and Program Description

Relevant Curriculum

The education experience at Northwest Prep for both students and teachers is contextual, active, and authentic. Project-Based work and field studies are the norm. Academic competencies are integrated with professional skills and guided by the Driving and Guiding questions developed by students and staff. Each semester's long-term whole school project is driven by an overarching Driving Question. The curriculum in all classes is carefully designed to scaffold and build student's knowledge and abilities to be able to adequately and appropriately address this question and Guiding Questions through a series of formative benchmarks, and finally through summative, high stakes Academic Exhibitions.

Personalized Learning

At NWP every student is well known and respected. NWP's enrollment of 80 students, and staff of 8 teachers, including the school's Principal, are small by design. Students are blended in cohorts in grades 7/8, 9/10 and 11/12 for most classes, but during all long-term projects student "teams" include grade levels 7-8 or 9-12. Teachers share responsibility for all of NWP's students and work with them all over several years. Advisors serve as advocates for their students, and as a liaison between staff, students, and parents. Teachers also facilitate NWP's Crossroads program.

Authentic and Powerful Accountability

Students, parents and staff use a broad range of approaches to measure academic and personal growth. The most important and valuable assessment is consistent conversation. This is the norm in all NWP classes. Conversation, facilitation, and mediation regarding student work and overall process occurs one-on-one, with small groups, and through seminars. Both students and teachers routinely examine progress and proficiency using systematic inquiry and reflection. Students employ personal web portals to compile and share digital portfolios, collaborate with peers on project benchmarks, post blogs, video conference, archive work, and post work for peer and teacher evaluation. All students participate in culminating Academic Exhibitions where they are evaluated by members of the entire school community. Prior to graduation each student must formally present and defend a multimedia portfolio of work and experiences that demonstrates evidence that they have achieved proficiency in Northwest Prep's Leadership Skills (see below).

A Community of Learners

2021-22 School Overview

Northwest Prep's students, staff, and parents are active participants in a truly collective endeavor focused on instilling in students a desire to develop successful habits of mind, and an appreciation for the importance of continuing education. We work hard to develop strong positive relationships and a culture of appreciation, trust, and respect within the entire school community. Students produce whole-school Community Meetings where they communicate important information, showcase student talents and accomplishments (music, poetry, athletics, etc.), and address issues they feel are important in town hall styled forums.

Real World Immersion

Though Northwest Prep is a small educational enclave, it is not an island. Students and staff work to regularly find opportunities for students to interact with other students, and successful adults, in the community and beyond. Northwest Prep encourages and accommodates students to take classes at Santa Rosa Junior College, and Sonoma State University, as well as online courses in areas that we can't offer due to staffing constraints. In the course of their project work, students are required to interact with experts in the fields that they are exploring, and with professional mentors with whom they are communicating, job shadowing, or interning with in the Crossroads program. Students are also required to communicate through email or video-conferencing with students from other communities and even countries in order to gain diverse perspectives on project topics and issues.

NWP's Crossroads program guides students through multi-year college and career exploration, job shadows, and professional internships. All students are also taught professional public speaking and communication skills on an ongoing basis. The main goal of the program is too, over time, create individualized pathways for each NWP student. When students leave Northwest Prep, they leave with an informed plan for their future. Grades 7 and 8 focus on exploring their interests, abilities, and talents. Grades 9 and 10 focus on exploration of the vast range of careers and different types of colleges and training programs that prepare students for them. Grades 11 and 12 learn how to identify and secure professional internships and develop a plan to actively contribute in their placement. NWP links students to all levels and fields of the professional workplace. We provide students with the opportunity to apply the many practical benefits from their PBL experience, to provide a service to their mentors and their organizations, and to further develop their professional and academic skills. The Crossroads experience empowers student's ability to make informed choices for life after high school.

NWP Leadership Skills are the foundation of the Northwest Prep program. They are the backbone of NWP's school culture, curricular goals, and the basis for assessment of each student's progress and growth. When students leave Northwest Prep for targeted post-secondary experiences, they leave proficient in all of the Leadership Skills. We know from our graduates that students who are truly proficient in these skills, will be successful no matter what path they choose after high school.

Personal Integrity

Students handle themselves with confidence and act with honesty and courage. They commit to their developing beliefs and are willing to assume roles as inquiring observers, active participants, and dynamic leaders. They demonstrate positive working relationships across diverse groups, accept personal responsibility for their actions, and remain open to learning from the feedback and guidance of others.

Productive Collaboration

Students develop and use the skills necessary to plan and engage in group projects. They work to resolve social and logistical conflicts and devise solutions to meet diverse needs. They collectively set goals and develop strategies to meet those goals. They evaluate the effectiveness of their approach and constructively adapt to new understandings as they arise.

Critical and Creative Thinking

Students identify problems and pursue opportunities from multiple perspectives. They locate, organize, analyze, and apply key information in inventive and imaginative ways. They design, evaluate, and employ a variety of strategies, tools, and skills to achieve innovative results. Students are independent, creative, and critical thinkers who question and connect to the world around them from both big picture and focused perspectives.

Effective Communication

Students understand and practice effective communication using verbal and nonverbal language with intent, awareness, and accuracy. They are empathetic, emotionally intelligent, persuasive, and articulate. They are skillful self-advocates who effectively communicate their needs. Students internalize and present their understandings and ideas with confidence and clarity. Employing a variety of media, they use practical, academic, and artistic abilities to convey meaning in a clear and engaging fashion.

Reflective Learning

Students excel at making critical observations about their own learning and potential. They formulate meaningful and relevant questions that inspire and encourage further inquiry. Students consistently take charge of their education by reflecting upon

2021-22 School Overview

and revising their own practices.

Citizenship and Global Responsibility

Students are engaged and informed citizens. They are empowered to create positive change in themselves, their communities, and the world. They are mindful and principled decision makers who understand the long and short-term effects of their actions on others and the environment. They practice compassionate, ethical, and active citizenship in local, global, and virtual settings. Students strive to achieve balance between their own needs and the needs of others.

Resiliency and Drive

Students are adept at taking intelligent risks and view mistakes as necessary steps toward learning and growth. They consciously identify their intentions and desires. They possess the tenacity and determination to work individually and collaboratively. They are self-motivated and self-regulated. Northwest Prep students confront challenges and persevere through adversity.

School Purpose and Expected School Wide Learning Results

Northwest Prep Charter School is a small, personalized, rigorous learning community where students are deeply engaged in, and thoughtful about, their learning. Teachers know students well and guide them towards expected outcomes by teaching them to ask good questions, and identify and solve meaningful problems. All students participate in a standards-based, academically rigorous Workplace Learning Program that allows them to interact with successful adults, apply their talents to real world challenges, and exhibit their skills and problem-solving abilities. Northwest Prep features standards-based, project and problem-based instruction, integrated curriculum, advanced technology, visual and performing arts, and performance-based assessments.

Upon graduation all NWP students are expected to have become highly proficient in all of the NWP Leadership Skills, present a Graduation Portfolio Defense, and be well-prepared for college and the workplace.

Northwest Prep Expected Schoolwide Learning Outcomes (ESLR's)

The Northwest Prep Leadership Skills have been adopted as the Expected Schoolwide Learning Results (ESLRs). Students are evaluated each semester on their growth in each of the Leadership Skills. In order to graduate from NWP, students must demonstrate evidence of proficiency, and receive an assessment of "capable" or "excellent" on all Leadership Skills in their Graduation Portfolio.

NWP Academic Performance Outcomes

- Read critically and write persuasively in the English language
- Recognize and describe relationships and patterns mathematically to solve concrete and abstract problems
- Apply scientific concepts and skills to solve problems, and use critical thinking skills to interpret scientific data
- Demonstrate an understanding of historical, political, social, and economic issues from multiple perspectives
- Use digital technologies appropriately as tools to enhance the achievement of academic and aesthetic goals and interpret, experience, create, and present original ideas and products

About this School

2020-21 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	14
Grade 8	21
Grade 9	16
Grade 10	17
Grade 11	18
Grade 12	15
Total Enrollment	101

2020-21 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	38.6
Male	61.4
American Indian or Alaska Native	1
Asian	2
Black or African American	5
Filipino	2
Hispanic or Latino	41.6
Two or More Races	2
White	45.5
English Learners	10.9
Socioeconomically Disadvantaged	35.6
Students with Disabilities	5.9

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	2.8	47.0	49.3	91.3	228366.1	83.1
Intern Credential Holders Properly Assigned	0.2	4.0	0.7	1.4	4205.9	1.5
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.9	31.8	2.9	5.4	11216.7	4.1
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.9	15.3	0.9	1.7	12115.8	4.4
Unknown	0.0	1.3	0.0	0.1	18854.3	6.9
Total Teaching Positions	6.0	100.0	54.0	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2020-21 Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21
Permits and Waivers	0.0
Misassignments	1.9
Vacant Positions	0.0
Total Teachers Without Credentials and Misassignments	1.9

2020-21 Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21
Credentialed Teachers Authorized on a Permit or Waiver	0.0
Local Assignment Options	0.9
Total Out-of-Field Teachers	0.9

2020-21 Class Assignments

Indicator	2020-21
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	19.1
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	10.0

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Year and month in which the data were collected

1/21

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry.	Yes	0
Mathematics	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry.	Yes	0
Science	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry. A functional lab fitted with essential tools and materials is utilized.	Yes	0
History-Social Science	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry.	Yes	0
Foreign Language	SRJC classes for French, Spanish, and American Sign Language. Other Language classes offered with Acellus online program/curriculum (A-G approved).	Yes	0
Health	State-approved and Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry. 8th grade Sex Ed is provided in conjunction with Santa Rosa Community Health Center.	Yes	0
Visual and Performing Arts	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry. Other Visual and Performing Arts classes are offered through our Acellus online program/curriculum (A-G approved) as well as through the Santa Rosa Junior College.	Yes	0
Science Laboratory Equipment (grades 9-12)	Teacher/Team prepared materials. Previously adopted textbooks are available as resources. 1:1 laptops, Apple iPads and a wide array of apps are the primary tool used in	Yes	0

instruction. There are sufficient tools, devices and materials for all students to effectively engage in NWP's Project-Based Program of Inquiry. A functional lab fitted with essential tools and materials is utilized.

School Facility Conditions and Planned Improvements

Safety, cleanliness and maintenance of facilities are a high priority at our school. Facilities and grounds are regularly cleaned and maintained. The site is staffed by one daytime and one nighttime custodian. Common areas, such as the sidewalks are maintained regularly and the kindergarten play yard has bark swept and raked weekly. Any actions taken by an outside company comply with all school safety requirements. In the event of a power failure, the custodian and principal are trained on starting generators on the well to ensure the water supply is maintained during power outages. The facility was inspected by the Chief Business Official and Supervisor of Buildings and Grounds in January 2021. Facilities are formally inspected bi-annually.

Year and month of the most recent FIT report

02/2020

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			The District replaced older HVAC units during 2020.
Interior: Interior Surfaces			X	School is in overall very good condition. The majority of the deficiencies were stained/damaged ceiling tiles, small areas of wall covering peeling, exposed wires and lighting issues in classroom 23.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical	X			
Restrooms/Fountains: Restrooms, Sinks/ Fountains	X			
Safety: Fire Safety, Hazardous Materials	X			
Structural: Structural Damage, Roofs		X		The "fair" rating refers to roofs. Re-roofing projects are currently planned as part the District Bond financed projects beginning in the summer of 2023.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
			X

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	54	NT	NT	NT	NT
Female	23	NT	NT	NT	NT
Male	31	NT	NT	NT	NT
American Indian or Alaska Native	0	0	0	0	0
Asian	--	NT	NT	NT	NT
Black or African American	--	NT	NT	NT	NT
Filipino	0	0	0	0	0

2020-21 Local Assessment Test Results in ELA by Student Group

This table displays Local Assessment test results in ELA by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with “N/A” values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.

2020-21 Local Assessment Test Results in Math by Student Group

This table displays Local Assessment test results in Math by student group for students grades three through eight and grade eleven. LEAs/schools will populate this table for schools in cases where the school administered a local assessment. In cases where the school administered the CAASPP assessment, LEAs/schools will populate this table with “N/A” values in all cells, meaning this table is Not Applicable for this school.

*At or above the grade-level standard in the context of the local assessment administered.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21
Science (grades 5, 8 and high school)	N/A	NT	N/A	--	N/A	28.72

2020-21 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. For any data cells with N/T values indicate that this school did not test students using the CAASPP Science.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	37	NT	NT	NT	NT

Students Receiving Migrant Education Services	0	0	0	0	0
Students with Disabilities	--	NT	NT	NT	NT

2020-21 Career Technical Education Programs

One of the major goals of Northwest Prep is for students to develop an understanding about the connection between their education and their future success in the workplace. From middle school throughout high school students participate in NWP's Crossroads program which includes: career awareness, career education and career exploration through both school-based and work-based learning experiences. This includes career education classes, job seeking skills training, service and community learning, career speakers, job shadowing and professional long-term internships.

2020-21 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	6
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2020-2021 Pupils Enrolled in Courses Required for UC/CSU Admission	100
2019-2020 Graduates Who Completed All Courses Required for UC/CSU Admission	26.67

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards
Grade 5	N/A	N/A	N/A
Grade 7	N/A	N/A	N/A
Grade 9	N/A	N/A	N/A

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

There are a variety of ways for parents to become a very important part of the school community.

Parents can select from activities that occur during the school day, after school hours and on the weekends. The school depends on input from parents as members of the School Leadership Team and the Northwest Prep Parent-Student-Teacher Organization (PTSO). The Leadership Team and the PTSO includes staff, parent and student membership. These group meet monthly and serve in an advisory capacity to the Principal and staff in matters related to curriculum and school policies. The Leadership Team and PTSO includes parent members who focus their input in areas including career exploration and Internship development, fundraising, parent volunteers, public relations, recruitment, and school events as well as providing input and review of NWP's Charter, safety plan, and WASC plan. Additionally, parents work with students and teachers in by volunteering in classrooms, chaperoning field trips and extra curricular activities, coaching, and participating in campus workdays. To make this happen :

Parents need access to up-to-date information on school events, student learning activities, and a clear understanding of instructional goals to support their child's education.

Parents need to feel a sense of connection and engagement with the school community.

Parents can answer annual questionnaires sent home in summer packet for parents to fill out, informing the school of what skills they would like to share with students, ability to participate in school events, drive for field trips, or provide job shadowing or internship opportunities for students.

Parents also take part in the Healthy Kids survey and the MyVoice survey helping give feedback on academic and community issues.

Metrics:

Attendance at school events.

Attendance at PTSO meetings.

Parent volunteers.

Engagement statistics on social media sites, ParentSquare communications, website and e-newsletters.

Attendance at Parent Forum Nights and Open House Nights

Serving as guest speakers, parents share their careers, offer internship and job shadow opportunities.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2018-19	School 2019-20	School 2020-21	District 2018-19	District 2019-20	District 2020-21	State 2018-19	State 2019-20	State 2020-21
Dropout Rate	18.8	18.8	0.0	18.8	18.8	0.0	9.0	8.9	9.4
Graduation Rate	81.3	81.3	100.0	81.3	81.3	100.0	84.5	84.2	83.6

2020-21 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2020-21 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	13	13	100.0
Female	--	--	--
Male	--	--	--
American Indian or Alaska Native	0	0	0.00
Asian	0	0	0.00
Black or African American	--	--	--
Filipino	--	--	--
Hispanic or Latino	--	--	--

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	2.36	0.00	1.58	0.08	3.47	0.20
Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	4.72	1.63	2.45
Expulsions	0.00	0.00	0.05

2020-21 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	0.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2021-22 School Safety Plan

A comprehensive safety plan is in place and is updated annually. The plan includes elements that address general procedures and emergency situations. It assures the safety of students and staff in case of any routine or disaster emergency situation. It includes a communication plan with the district office and other district schools.

Northwest Prep staff and community value a school where students learn in an environment that is safe, supportive, and free from outside interference and harm. We emphasize the development of safety, respect, responsibility and communication. The school community models and reinforces positive and courteous behavior.

The following are strategies used to support this goal:

Development of school wide rules and expectations/consequences

School wide participation in community building activities during the school year help familiarize students with expectations and procedures, and to get to know members of the school community

Class Advisories hold classroom meetings daily to discuss issues, changes in structure, and other need to know topics for students.

Training and support of playground/yard supervisors takes place annually and during monthly staff meetings.

Disciplinary issues are handled by the classroom teachers and referred to the Principal as needed by a referral process. Board Policies and Education Code provide the framework for school wide policies. The staff works collaboratively to provide interventions which support positive student behaviors. Regular communication with parents provides for ongoing updates regarding students that need monitoring and support.

2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	14	6		
Mathematics	21	3	1	
Science	16	7		
Social Science	21	3	1	

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	6	16	1	
Mathematics	7	13	2	
Science	6	13	1	
Social Science	7	14	1	

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	5	21		
Mathematics	5	17	1	
Science	5	16	1	
Social Science	5	15		

2020-21 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2020-21 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0
Psychologist	0
Social Worker	0
Speech/Language/Hearing Specialist	0
Resource Specialist (non-teaching)	0

2019-20 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2019-20 expenditures per pupil and average teach salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$12,051	\$1,763	\$10,288	\$68,056
District	N/A	N/A	\$10,437	
Percent Difference - School Site and District	N/A	N/A	-1.4	-16.3
State			\$8,444	\$72,352
Percent Difference - School Site and State	N/A	N/A	19.7	-6.1

2020-21 Types of Services Funded

Northwest Prep provides an instructional program aligned to the California state standards which infuses career exploration, enrichment, and inquiry-based learning activities into the core curriculum. The school's leadership team, community partners, and parents collaborate and coordinate ongoing inquiry-based projects that allow students to apply academic concepts and hands-on activities to relevant community and global projects.

2019-20 Teacher and Administrative Salaries

This table displays the 2019-20 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		\$47,265
Mid-Range Teacher Salary		\$69,813
Highest Teacher Salary		\$91,237
Average Principal Salary (Elementary)		\$113,466
Average Principal Salary (Middle)		\$115,186
Average Principal Salary (High)		\$0
Superintendent Salary		\$131,359
Percent of Budget for Teacher Salaries	27%	30%
Percent of Budget for Administrative Salaries	6%	7%

2020-21 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	4.6
--	-----

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	1
Foreign Language	0
Mathematics	0
Science	2
Social Science	0
Total AP Courses Offered	3

Professional Development

The Northwest Prep staff participates in professional development activities provided by outside service providers and within the District. In addition, staff regularly attends learning opportunities that are provided at the Sonoma County Office of Education as well as other sessions available to staff through various grants and other programs. Learning sessions during the year cover a variety of topics including Professional Learning Communities and Networks, LCAP and LCFF awareness trainings, Common Core and Smarter Balanced Assessment trainings, Induction, PBL, ELPAC, Safety Planning and training including CPR/First Aid. NWP has implemented a Project Based Program of Inquiry and meets for a minimum of 3 hours each week to plan/monitor/assess integrated project curriculum.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2019-20	2020-21	2021-22
Number of school days dedicated to Staff Development and Continuous Improvement	23
